Family Planning NSW

Ashfield provides a range of sexual and reproductive health services for women and men of all ages.

Professional and confidential services offered at the Ashfield Centre include:

- Information on all forms of contraception for women and men
- Pap tests
- Pregnancy tests and advice
- Post natal checks
- Vasectomy and tubal ligation referral
- Checks and treatment for Sexually Transmitted Infections (STIs)
- HIV/AIDS tests and counselling
- Disability clinical services and access
- Sexual health information
- Advice and information for preconception, infertility, premenstrual tension, menstrual disorders, sterilisation and menopause management

The **Ashfield Clinic** is staffed by doctors and nurses who are experts in sexual and reproductive health and operates as a training clinic for other health professionals.
