For more information please call us on 02 8752 4307.

#### Strength Cards for Kids

Innovative Resources \$49.50 **New edition**  
 Australian

*Strength Cards for Kids* is a set of 40 laminated cards (210x150mm) with a 24 page booklet packed with ideas for using the cards. With colourful illustrations and gentle humour, the cards show qualities and abilities which can help primary school children discover their strengths and use them to tackle problems. This is a great resource for teachers to use with children, to nurture emotional intelligence and build self-esteem.

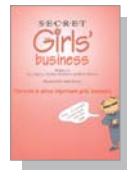

#### Secret Girls' Business

Fay Angelo, Heather Pritchard and Rose Stewart  
 ISBN 9780975011300 \$14.99  
 Australian

This attractive little book about periods will particularly appeal to younger girls. *Secret Girls' Business* is fun and easy to read with limited text and lots of engaging illustrations. It includes sections at the back for schools, teachers and parents.

**Also available:** *Secret Boys' Business*  
 ISBN 9780975011324 \$16.99

#### Let's Talk About Where Babies Come From

Robie H Harris  
 ISBN 9781844281732 \$27.95

This revised edition about sex and reproduction is written for primary school children aged from 7 to 9 years. It covers: babies, reproduction, bodies, chromosomes, genes, growing up, love, health, and lots more. The information is given simply and reassuringly with humorous commentary from an inquisitive bird, squeamish bee, and very friendly cartoon-strip illustrations.

#### What's Happening to Me?

**A guide to puberty**  
 Peter Mayle  
 ISBN 9780330273435 \$14.95  
 Australian

#### Where Did I Come From?

**The facts of life without any nonsense and with illustrations**  
 Peter Mayle  
 ISBN 9780330273442 \$14.95  
 Australian

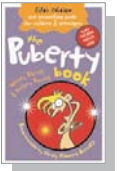

#### The Puberty Book - 5th edition

**The best-selling guide for children and teenagers**

Wendy Darvill & Kelsey Powell  
 ISBN 9780733626395 \$24.99 **New edition**

Australian

With all the latest information, this most recent edition of *The Puberty Book* answers direct (pre) teenage questions such as How are sperm made? How does milk get into breasts? and What do you do if your penis is small? In simple language and with honest answers the authors discuss changes that happen at puberty - sex and sexuality, health, relationships, pregnancy and birth.

#### Changing Behaviour in Schools

**Promoting positive relationships and wellbeing**

Sue Roffey  
 ISBN 9781849200783 \$42.95 **New**

Australian

Positive teacher/student relationships and school connectedness leads to improved learning and better behaviour for all students. This excellent resource shows teachers how to promote positive behaviour and wellbeing in their classroom and their school. Issues covered include: developing a sense of belonging in the classroom; teaching approaches that maximise engagement and participation; and responding effectively to challenging situations. Each chapter has case studies, activities, checklists and further reading. *Changing Behaviour in Schools* gives teachers great strategies for managing student relationships with confidence and resilience.

#### Puberty Boy

Geoff Price  
 ISBN 9781741145632 \$26.95

Large format paperback - Australian

This beautifully illustrated book for boys, is full of information and stories about puberty that will appeal to boys who like to read - or be read to.

#### Bully Blocking

**Six secrets to help children deal with teasing and bullying**

Evelyn M Field  
 ISBN 9781876451776 \$26.95

Australian

*Bully Blocking* helps children from age four to sixteen to deal with bullies. Children learn to understand their feelings, realise why they are being bullied, build their self-esteem, become confident communicators, create a 'power-pack' of helpful skills and develop a support network. Included is a chapter on what schools can do about bullying and teachers are provided with great exercises and activities to use in the classroom.
