

BEFORE YOUR DAY SURGERY PROCEDURE

INSTRUCTIONS FOR YOUR PROCEDURE:

For any procedure with sedation (or anaesthetic) you need to have an empty stomach. This means that you:

- **DO NOT EAT** any food for 6 hours before your appointment – this includes lollies and chewing gum
- You may drink **WATER ONLY** from 6 hours before your appointment
- **DO NOT DRINK ANYTHING** in the 2 hours before your appointment – this includes water
- **DO NOT SMOKE** for 2 hours before your appointment
- You should take any regular medications with a small sip of water on the day of your procedure at the usual time unless advised otherwise by the nurse or doctor.

If you eat or drink too close to your appointment time, your procedure may not go ahead.

If you have sedation, you **CANNOT** drive yourself home and you should not travel alone on public transport. You will need to organise for someone to drive you or escort you home.

It is recommended that you have a responsible adult with you for 24 hours after your procedure.

Please bring the following with you on the day:

- Photo identification – e.g. driver's license or passport
- Medicare card (if you have one)
- Warm comfortable clothes and nothing that is too restrictive around the tummy
- Your IUD for your procedure if applicable
- Spare pair of underwear
- X2 sanitary pads

WHERE DO I GO?

Your procedure will be performed at the Family Planning Day Surgery Unit located at **10 Avenue of the Americas, Newington, 2127.**

There is plenty of parking on site.

Please refer to the image on the next page for public transport options.
