

CERVICAL SCREENING

**MORE CHOICE,
MORE CONTROL**

**Free information sessions
on cervical screening
for Aboriginal women
aged 25 to 74 years
are being held by
Family Planning NSW.**

- Stay healthy for you and your family. Come have a yarn with other Aboriginal women about cervical screening.
- A Cervical Screening Test looks for signs of a virus that can cause cancer in the future.
- Regular screening is the best way to prevent cervical cancer.

The session will look at:

- what cervical cancer is
- who needs to test and why it is important
- your testing options, including self-collection
- where to get a Cervical Screening Test

SESSIONS WILL BE CATERED, AND YOU WILL RECEIVE A FREE INFORMATION AND RESOURCE PACK.

**For information on location and times of sessions,
please scan the QR code or call 8752 4306.**
